To: To Whom it may concern Ghana, West Africa.
From: Ben Rabasse Norbain SD Ltd, Reading, England

Dear Sir,

Please be advised that Norbain SD Limited are Europe's largest CCTV and access control supplier and manufacture Europe's premier CCTV brand, Vista.

IGV UK/TransAfrica 2000 (Ghana), employ personnel with very long standing technical experience of CCTV access control and Intruder system and we are please to confirm that these companies are authorised to procure, install and maintain systems outside the UK, supplied by Norbain SD.

This includes both our Vista range and around 200 other industry leading, industrial quality brands which we supply annually to around 90 countries world-wide.

If you have any queries, please contact me personally.

Yours faithfully,

Ben Rabasse
International Account Manager
